Les on the Line

Welcome to our last game of the season with plenty still at stake in something of a crunch derby game with Bury.

Despite a much-improved run of results in the final quarter of the season - two defeats in nine games - we still find ourselves mathematically involved in the relegation scramble.

That is particularly disappointing considering the delight at our last home game when we beat table-topping Birmingham City in a cracking game.

Perhaps that will go down as our best display of the season, but we were unable to repeat the effort just a few days later in going down to defeat at West Bromwich Albion.

Losing 3-0 at The Hawthorns set us back in the fight for survival and this afternoon we must make sure we are buzzing.

Bury know exactly what they have to do and we cannot afford any mistakes.

We have had great vocal support in recent games and such support will again be vital today as we bid to close the season on a high note.

For the most part our home form has been good and this afternoon also sees a chance to record another "double" following a 3-2 win at Gigg Lane way back in October.

BURY FOOTBALL CLUB - PLAYING STAFF 1991/1992

KEVIN HULME (Striker). A Young striker who joined Bury in March 1989 on a trial basis from local non-league side Radcliffe Borough. He signed permanently in a £5,000 deal two months later and has spent the last two seasons attempting to earn a regular place in Bury's starting XI. Also had a spell on loan at Chester back in 1989/90 season.

ALAN KNILL (Defender). His recent career at Gigg Lane has been frustrated by a back injury which saw him sidelined for much of last year - after missing just 3 games during 1989/90 season. He joined Bury in July 1989 in a £95,000 deal from Swansea City but he began his career as a Southampton apprentice. He moved on to Halifax Town in 1984 and spent three full seasons there before joining Swansea in 1987. Whilst at The Vetch he also gained a full Welsh International Cap -v Holland.

MARK KEARNEY (Midfield). 28 year old midfield man who began his career as a non-league player with Marine F.C. before transferring across Merseyside in 1981 to join Everton. He had to wait for a move to Mansfield Town during 1982/83 season though in order to make his Football League debut and in a nine year spell at Field Mill made close on 250 appearances. Joined Bury on loan in January 1991 and after two months, signed on permanently in an exchange deal which took Chris Withe to Mansfield Town.

GARY KELLY (Keeper) A £70,000 signing from Newcastle United in December 1989 after spending two months on loan at Bury. 25 year old Gary has played in 86 consecutive league games up to the end of 1990/91 season, during which time he has been named in Jack Charlton's full Eire squad on several occasions without, to date, making his starting XI. Played 44 games in Division One for Newcastle before moving initially on loan to Blackpool, and then to Gigg Lane.

PHIL PARKINSON (Midfield) One of four players still at the club who were signed by previous manager Martin Dobson. Now 23, Phil arrived at Gigg Lane in February 1988 in a £13,000 transfer from Southampton. He missed just two games during the 1990/91 season and had completed 107 full league apps. up to the end of last season.

RONNIE MAUGE (Midfield) Still only 22, Ronnie began his career at Charlton Athletic but moved on to Fulham in 1988 in order to gain first team football. He played 47 league games for the Cottagers before transferring north to Bury in July 1990 in a £40,000 deal. He missed three months during the latter half of last season after undergoing a hernia operation but enjoyed immense early season success scoring 6 goals in 27 apps. Has again had injury problems this term during which time he has also spent a loan spell with Manchester City.

LIAM ROBINSON (Striker) Began his career as a schoolboy with Nottingham Forest before signing for Huddersfield Town as an apprentice. In three years as a professional at Leeds Road, Liam made just 17 full apps. for Town and, after a loan spell at Tranmere Rovers, joined Bury in July 1986 in search of regular first team football. The transfer initially cost £15,000 but a further £45,000 was later paid and Liam has since repaid that fee time and time again, being the club's leading scorer for three seasons. He has now notched up 200 apps. and 76 goals.

NIGEL SMITH (Winger) Bury's last summer signing - arriving on a free transfer from Burnley in early August after impressing Manager Mike Walsh in the pre-season friendly games during a trial period. Nigel began his career with Leeds United as a trainee and joined Burnley in 1989

ROGER STANISLAUS (Defender) Signed by former Manager Sam Ellis in July 1990 from Brentford in a £90,000 deal. Roger played 109 league games for the Bees before moving north and completed 40 league apps. for Bury in his initial season at Gigg Lane. He began his career as an apprentice at Arsenal but did not appear in the Gunners first team.

IAN STEVENS (Striker) Maltese born striker who is another close-season signing - on a free transfer from Bolton Wanderers. Ian's first club was Preston North End, where he spent two years as a trainee and a further two years as a professional - and he then joined Stockport County in 1986 for a short spell. For the last four seasons he has been at Burnden Park where he failed to command a regular first team place. That will be his aim at Gigg Lane.

PETER VALENTINE (Defender) Bury's current team captain, Peter joined Bury in July 1985 on a free transfer from Bolton Wanderers and he has proved to be a particularly astute signing over the past six years. Tremendously popular with the Gigg Lane fans, the reliable centre-half has played in close on 250 league games for the club. Peter's career began with an apprenticeship at his hometown club Huddersfield Town and he made his debut for the Terriers against Gillingham in March 1982.

DARREN WILSON (Defender) Twenty one year old defender who joined Bury in the summer on a free transfer from Manchester City, where he had spent the last two years as a professional. Darren can play at either right-back or in midfield - but is expected to perform for the Shakers at right-back.

IAN WILSON (Midfield) 33 year old Aberdeen born midfield man who began his career with Elgin City before moving into English football with Leicester City in 1978. Subsequently moved to Everton, Derby County and also played in Turkish football before arriving at Gigg Lane in August. Is currently at Bury on a monthly contract. Former Scottish International.

LEE ANDERSON (Defender) Teenage full-back who was recently offered and signed a full professional contract after the completion of his two year YT spell. Bury born, Lee has already made his full League debut for the Shakers, playing at Exeter in October 1991. Can play in a variety of positions.

IAN HUGHES (Midfield) The son of a former Bury player, Ian is another YT player who recently signed professional terms with the Shakers. Has been named as a substitute on several occasions for league games this season and made his full debut for Bury in the Autoglass Trophy preliminary game at Scunthorpe United.

MIKE POLLITT (Keeper) Teenage goalkeeper who was another of Bury's close-season signings, arriving on a free transfer from Manchester United. Mike also played a few games in Bury's reserve side last season prior to signing.

Bury Football Club was founded on 24th April 1885 following a public meeting at the White Horse Hotel in the town centre. A Committee was immediately formed and the Club became sub-tenants of a field on Gigg Lane which has served as 'home' ever since. It took over four months for a team to be gathered and it was not until 5th September 1885 that Bury F.C. fielded it's first team, drawing 2-2 at Little Lever. The following week the Club staged its first game at Gigg Lane where Bury beat Wigan 4-3 and receipts totalled just £1.16s.7d.

For four years Bury competed only in friendly games until in 1889 the Club was instrumental in forming the Lancashire League. In May 1894 Bury applied for the first time for membership of the Football League and, along with three other clubs, was successful. In their first season, Bury carried off the Second Division Championship and beat Liverpool in a Test Match to gain promotion to Division One, where they remained for 11 years.

In both 1900 and 1903 the Club gained perhaps its greatest achievements, reaching the FA Cup Final at the Crystal Palace and beating Southampton 4-0 in 1900 and Derby County 6-0 in 1903. From 1912 until 1924 the Shakers remained in Division Two but were to experience a final taste of Division One soccer for five seasons which ended in 1929. In 1926 helped by Norman Bullock's 31 league goals, Bury obtained their best league placing of 4th in Division One.

In 1929 Bury began a 21 year spell in Division Two, sinking into Division Three North in 1957, but winning the Third Division Championship and scoring 108 goals in the process in 1961. The 1960's brought a further seven seasons in the Second Division ending in 1969, but by 1971 the Club had dropped into the Fourth Division, where on and off the Club has remained ever since. Promotion from Division Four in 1974 under the reign of Bob Smith was repeated in Centenary Year 1985 under the guidance of Martin Dobson to provide the most fitting method of celebrating the Club's hundredth birthday. Despite a history of battling against adversity from all directions - especially a lack of clicks at the turnstiles - the present Directors are the latest in a long line of individuals with a supreme devotion to the cause.

Supporters Club Football

The Supporters Club Football team finished an otherwise successful season with two defeats, losing 4-5 to West Bromwich Albion supporters on April 25th, and 3-4 to a team representing the Manchester City ticket office (including ex-City player, now Community Officer at Maine Road, Alex Williams) on April 26th. The team, ably managed by Paul Best, had an enviable record before these two defeats, having played 15 games, won 10, drawn 4 and lost only 1. The team plans to play a match against the local police in the future and will also be playing in two tournaments during the summer at Nottingham and Leyland. They are always willing to play any opposition. Contact Paul Best c/o Executive Box 15, Preston North End Football Club, if you would like to arrange a game.

Annual General Meeting

Members will receive details of the date, time and venue in the next month. All senior members are entitled to attend, vote and stand for election to the committee. Contact Maureen Robinson c/o Executive Box 15, Preston North End Football Club, if you would like more details.

Membership 1992/93

Renewal forms will be sent to all senior and junior members as soon as possible after the Annual General meeting.

National Federation of Football Supporters Clubs

This year's National Conference will be held at Blackpool on June 6th. Any members interested in attending and joining in the debate about issues affecting football and football supporters should contact Maureen Robinson for details. We also have information from the National Federation about trips to the European Championships in Sweden and membership of the England Travel Club as well as a request for stewards for the above trips. Contact us for further details.

Summer Activities

During the summer we will be organising our stock of old programmes for sale in the portakabin next season. Please contact us if you can offer any help. We are also looking for artistic members who can help with our float for the Preston Guild Community procession.

Junior Whites

Meetings will continue to be held during the summer at West View Leisure Centre on the first Monday of every month. Contact Jim Procter for details. The next meeting is on Monday, May 4th.

Football - Several teams will be taking part in the National Federation of Football Supporters Clubs 5-a-side finals during the summer. We will be holding a fundraising quiz night on 13th May at the Deepdale Hotel. Why not come along and enter a team.

Pictured below is the Junior Whites Squad who played against the Panel Ash team from Harrogate who visited Deepdale during a Lancashire tour in April.

PONTIN'S CENTRAL LEAGUE NOTES

As this will be our last notes for this season, we have brought together 3 brief reports from the remaining fixtures of the season. The two outstanding accounts for the games away at Blackpool (29.4.92) and Derby (5.5.92) will have to be unfortunately held over to next season.

Match No. 30 Monday 13 April 1992
Preston North End Res. (0) 1 York City Res. (0) 0
Kerfoot 75th minute Attendance: 80
Played at Deepdale, Preston.

A very dour game watched by a low crowd on a cold windy and rainy night was only brought to life in the second half by an opportunist goal from Jason Kerfoot (75th minute) - Gareth Ainsworth reating the chance down the right wing, centering the ball to the far post where the opportunist striker stole in to volley home the ball past Lance Key in the York goals. The same player nearly scored again 10 minutes later (85th minute), but this effort was thwarted by the keeper touching the ball on to the bar.

York City reserves looked a very poor side on the night, offering very little up front, although a lot of credit for this must go to North End's central defence partnership of Adrian Hughes and Matthew Lambert who had total control of any threat to the North End goal.

Although this result meant that North End Reserves had won three consecutive games in the month of April, it really was a typical end of the season affair - and not a game to cherish.

North End Team: Kelly, Moylon, Siddall, Eaves, Hughes, Lambert, Ainsworth, Flitcroft, Greenwood, Kerfoot, Christie, Substitutes: Burrow and Burton (not used)

Match No. 31 Thursday 16th April 1992
Notts County Res. (1) 3 Preston North End Res. (0) 0
Played at Meadow Lane, Nottingham
North End Team: Kelly, Siddall, Moylon, Eaves, Burrow, Lambert, Ainsworth, Flitcroft, Kerfoot, Burton, Christie. Substitutes: Critchley replaced Lambert - 75th min. Close replaced Ainsworth 70th min.

Match No. 32 Wednesday 22nd April 1992
Preston North End Res (0) 0 Leicester City Res (2) 3
James 6th and 55th min.
Ward, 13th min.
Attendance = 80 Played at Deepdale

The curtains came down on North End's Reserves 1991/92 home fixtures to a background of a very sluggish performance against a confident Leicester side who were gifted two easy first-half goals, from which North End never recovered sufficiently to achieve a fight back - mainly due to fielding a young inexperienced and ineffective midfield who struggled to create any chances for the two forwards who were tightly held by the strong efficient east Midlands side defence.

In fact only two shots on target by North End were noted in all of the 90 minutes played - both long range efforts hitting the bar - Jeff Wrightson on the 38th min and Stephen Finney on 58 mins. played.

Bad defending, again resulting in a third goal for the visitors (55th min) sealing the result - leaving North End looking a very disjointed and unhappy side indeed. Perhaps it was a relief when full time was signalled, both for the players and spectators!

North End Team: Kelly, Wrightson, Siddall, Eaves, Hughes, Lambert, Flitcroft, Kerfoot, Finney, Burton, Christie. Substitutes: Moylon - not used, Ainsworth replaced Burton (72nd min.)

Refreshing the Memory with Mike Payne

I promise you all that after today you can have a few months off from reading all the facts and figures that I have paraded before you over the season.

But not until I have presented the necessary on today's visitors, our friends from Gigg Lane, Bury. This is the 47th post-war clash between us and for once we have the edge over our opponents in the final analysis. At the moment our record reads: Played 46, won 19, drawn 11 and lost 16.

An incredible crowd of 30,471 watched the first of those games when the sides met at Bury in November 1949. It is difficult to imagine Gigg Lane with that sort of crowd, mind you their record crowd is 35,000 for a cup-tie with Bolton Wanderers in 1960. Anyway I digress, the result of that 1949 game was 1-1 with Jack Knight scoring for Preston North End.

In the memorable 1963-64 season our two games against Bury proved to be very important. In the December a magnificent hat-trick by Alex Ashworth gave North End a 3-0 win. It would have been more but Bury goalkeeper Chris Harker had an inspired match as he leapt, dived, rolled and somersaulted to block the path to goal. That result kept us on course for promotion but by the time the return was played at Bury we had lost out on promotion but had reached Wembley for our Cup Final date. Bury, meanwhile, badly needed to win to dispel any fears of relegation. Preston North End for a long time looked a class above their opponents and David Wilson gave them an early lead. It looked odds on an away win until ex-North Ender Alex Alston hit an equaliser. It changed the game and moments later Ernie Yard scored what proved to be the winner.

Other interesting snippets from our clashes with Bury. In a 2-2 draw at Deepdale in April 1965 two up and coming stars stole the show. Their names? Howard Kendall for Preston North End and Colin Bell for Bury. In December 1966 Paul Aimson scored at hat-trick for Bury but still finished on the losing side in a 4-3 thriller at Deepdale. Other hat-trick men have been Ray Pointer in a 5-0 win for Bury in 1966 and John Thomas in an F.A. Cup-tie in 1986. Alex Bruce, with four goals, is Preston North End's leading scorer in games against Bury since the war, but Graham Shaw is one of several players on three goals so two goals today please Graham. Again since the war, six players have made their full debut in the North End shirt against Bury. Willie Watt, Gerry Ingram, Norman Lloyd, Mark Fielding, Simon Snow and Matthew Jackson all had that honour.

Two records were set up on January 29th 1986 in our Freight Rover Trophy meeting with Bury at Deepdale. Due to floodlight problems the game was played on a Wednesday afternoon and only 768 spectators managed to attend, Preston North End's worst ever crowd for a first team game. And in that match, which Preston North End won 2-0, Vernon Allatt became the first Preston North End player to score from the penalty spot AFTER coming on as substitute.

Finally, may I take this opportunity of thanking Ian Rigby for coming up with some excellent help in compiling these articles, and may I also sincerely thank you for reading them. I hope you have enjoyed them and I now wish you a very happy summer, enjoy your holidays, and I look forward to seeing you back here again in August.

For a bit of fun I'll leave you with this short story which has been written using only North End names that have played against Bury.

All the best from your favourite MP.

A TALE OF THE P. N. E. LAMB.

"You are dead WRIGHTSON," said the COLEMAN," I am going GRAY. You see I have had a lot of worry. I've lost my pet LAMB recently. I used to have a BIRD but it flew off again, HANNIGAN HANNIGAN. My lamb was WELSH and the wool we got from her would LY ALL KNIGHTON day before the BARBER would clip it and eventually ship it to BRAZIL. The lamb was originally from Texas you know, HOUSTON.

"We loved that lamb son. We would HOLDEN to her son and PATTERSON. One day we caught her playing with a SWANN when LOWEY behold the SNOW came and we had to wrap her in a SHAW because she was so cold in the FIELDING which she lived. We would feed her some HAM and it was CUNNINGHAM because she soon put some weight on. She grew and grew until she was a SINGLETON of BROWN meat. Even the local SADLER and JONES the MILLER bought some, but now alas she is gone and has been buried in the GREEN WOOD at CHARLTON."

"HASLEGRAVE got a CROSS?", asked little THOMAS. "Yes son, ALL AT the house reJOYCE at her memory. TUNKS for the memories, ELWISS remember that TWENTY MAN team of SENIOR citizens who FOSTERed that lamb."

PEEL the potatoes and pass the CRANSTON pickle!

(Yes I know it faded a bit at the end but at least I resisted the temptation to include Ian BOGIE!)

On this day ..

MAY 2nd

The following is a selection of games played by Preston North End on this date in years gone by.

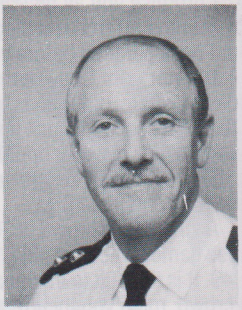
1885 Home vs Notts Association (Friendly) Won 3-0
1888 Away at Workington (Friendly) Won 7-0
1921 Away at Bradford City (League) Lost 2-6
1925 Away at Cardiff City (League) Drew 0-0
1935 Away at Carlisle United (Friendly) Won 3-0
1936 Away at Everton (League) Lost 0-5
1949 Away at Wolverhampton (League) Lost 1-2
1964 At Wembley vs West Ham United (FA Cup Final) Lost 2-3
1981 Home vs Swansea City (League) Lost 1-3
1983 Home vs Lincoln City (League) Won 1-0

May 2nd football matches through history have not been very successful for the Club on the whole. Having said that, the last three games played on this date have all been "end of the season" affairs all ending in 0-0; 1987 v Peterborough, 1988 at Aldershot and 1991 at Bournemouth.

The largest league gate we have played before on this date is 54,425 in 1949 at Wolverhampton. Mind you 100,000 saw the epic game at Wembley when West Ham snatched the FA Cup from our grasp. Is it really 28 years ago to the day? Doesn't time fly, yet another season has rushed by. Many thanks for reading the column I hope you found something of interest during the season. Have a good close-season.

IAN RIGBY

Football Beat



A warm welcome to the last senior match of the season. I would like to thank all the supporters, players, officials of Preston North End for the support and co-operation given to the police throughout the season. It is particularly pleasing that our officers are warmly received by supporters attending matches. Let's hope that next season brings a little more to cheer about on the pitch.

Finally, I would like to thank all the Special Constables who regularly police home fixtures. Twenty three of the twenty eight on duty at the Birmingham match are pictured below. These officers work for the police without financial reward and have done a first class job all season. This helps keep police charges to the club amongst the lowest in the country but also benefits society at large in that regular constables are kept free to police areas such as Preston, Fulwood, Lea, Longridge and South Ribble. Anyone interested in joining the Special Constabulary should contact me at the police station.

Enjoy the match and the summer break.

Today's featured article is the single sheet programme from the 1958 Lancashire Senior Cup Final between Preston North End and today's opponents Bury. The reason for Bury issuing a single sheet rather than producing a "full programme" is probably because Preston North End had only just played their replayed semi-final with Liverpool two days earlier. The teams lined up as per programme and as the match reports state, Bury well deserved their 2-1 victory.

Although not as clever as Preston North End in midfield, Bury had much greater challenge in attack. Preston North End to their credit were always trying to play combined football but rarely looked like getting goals. Indeed, when Preston North End equalised it was from an own goal by Tommy Neill the Bury left half who deflected the ball past Adams as the Bury keeper came out to deal with a Lambert centre (49 mins.). Bury had gone into the lead after 20 minutes when Kelly, a splendid keeper, turned a free-kick by Neill against an upright only to see the ball rebound to Reid who duly scored. Jimmy Mercer's incisive thrusts were the inspiration of Bury's most dangerous raids. It was from one of his short centres that Reid got his and Bury's second goal which proved to be the winning strike, before a 2,376 crowd. Best players for Preston North End on the night were Downey, a hard working right-half and Les Dagger an enterprising winger.
